Grade 6 Open House Day

Grade 6 students from **Rideau Park School** will be participating in the Open House Day with prospective students from our feeder schools:

Colonel Walker School
Earl Grey School
Elbow Park School
Ramsay School

During the Open House Day students will learn about:

- Transitioning from elementary school to junior high school
- What to expect in Grade 7
- Academic program
- Complementary courses
- Registration process
- Extra-curricular sports teams and school clubs

This is a wonderful opportunity to learn about our Grade 7 program, choosing complementary courses and to get to know Grade 7 teachers.

Please contact Jackie Cochrane at the school office with questions about the **Open House Day**.
